February 6, 1974

Mr. George Forman  
Chairman, Evaluation Committee  
Arcadians for Arcadia  
25 Wheeler Street  
Suite H  
Arcadia, California 91006

Dear Mr. Forman:

Thank you for your letter of January 29th 1974. Below you will find the information requested by your committee, as outlined in your questions one through five.

1. Floretta K. Lauber, age 47. Married Harry R. Lauber. One son, Lawrence. Third generation, native Californian born and raised in Sierra Madre, moved to Arcadia in 1956.

Business experience: Fourteen years in industry, nine with Wianek Engineering Company, formerly of Pasadena. Supervisor of three departments, with a production "Control Specialist" rating. Served on the staff to the Vice President. The past three years I have worked for Hitchcock Realty Company, 1153 West Huntington Drive, Arcadia, as an associate realtor in residential sales.

Education: Attended Monrovia-Arcadia High School, Pasadena City College, industrial relations, studies at Mt San Antonio College, management and upper level supervision-UCLA extension; planning and city government USC and seminars over the past eight years.

2. I wish to continue serving the community to which I am dedicated, by using my nine years of experience in Arcadia City Government, in a policy making position.
3. I am not a one issue candidate but have many objectives. I will take what action is necessary to improve the poor communication between the public and City Hall. I live and work in Arcadia and available to help the taxpayer for:

Control of the over-flow parking from the race track on to residential streets.

The continuation of safe street lighting.

No promiscuous widening of residential streets for through traffic.

Continued support of our Police and Fire Departments.

Push forward with a qualifying program for a reduction in fire insurance rates for property owners.

The control of traffic; not traffice controlling us.

Mr. George Forman  
Chairman, Evaluation Committee  
Page 2

I believe that some positive action to improve our city's "downtown" image is needed. CRA is a tool, if properly controlled, to assist in upgrading deteriorating and blighted areas. I voted to limit the CRA project area as accepted by the City Council.

I will insure the enforcement of all controls and restrictions on the development of Fashion Park as set forth by the City.

I will strive for financial soundness in our City budget and tax relief from its revenue.

4. My background experience consists of one year on the City Personnel Board (1964); eight years on the Arcadia Planning Commission-chairman of it 1967-1968; helped write the General Plan; fought to eliminate high rise commercial in Fashion Park and was successful in imposing over 30 restrictions on the construction of Fashion Park; fought for more restrictive R-3 Apartment and Condominium regulations.

I served as chairman and worked on numerous sub-committees for higher standards and protections to the property owner; advised the City Council on the five year capitol program and budget yearly; a past president of the West San Gabriel Valley Planning Council, serving two terms; worked with officials from fifteen cities and the county board of supervisors on the inter-city goals.

I am a past president of the Woman's Club of Arcadia where I also served as Community Improvement and City Civic chairman for six years.

I am an honorary member of the Altrusa Club of Arcadia, a classified women's service organization; a past vice president of the Auxiliary of the Methodist Hospital; a past vice president of the Arcadians; a member of the Sierra Guild to Childrens Hospital; Chairmanned the United Crusade for two years; a member of the HEAR Foundation; a former member of the National Association of Parliamentarians; a member of Friends of the Arcadia Public Library and a member of Phi Rho Pi, a national forensic fraternity.

5. I have always represented the entire community equally and honestly. I have no known conflict of interest and fully endorse the new disclosure law effective January 1, 1974.

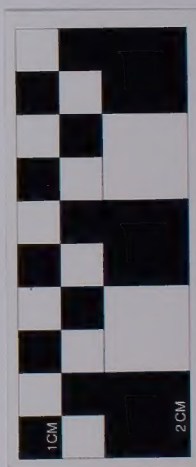

Mr. George Forman  
Chairman, Evaluation Committee  
Page 3

I will welcome the opportunity of meeting with your  
committee at any time on February 11th, anytime the  
afternoon of February 14th or at any hour the day of  
February 15th.

Sincerely yours,

Mrs. Floretta Lauber  
1225 Oaklawn  
Arcadia, California 91006

## Woman Candidate for Council

# Experience Will Be Issue

Floretta (Mrs Harry R.) Lauber was the first woman on Arcadia's Personnel Board and the first woman on the Planning Commission and her aim is to be the first woman on the City Council.

On the basis of her nine years of city service and wide civic activity she is saying, "Experience is the issue in this election. I'm not running for the sake of being the first woman on the council. After nine years of service in city government in an advisory and research capacity, I am seeking the opportunity to set policy and take action. Issues come and go, but proven ability and experience get the job done. I have that experience."

She points out that it is doubtful if the city will ever again be in the position it now faces, with three council vacancies, a

city attorney who has resigned, new police and fire chiefs and several members of the Planning commission with little seniority.

She has many areas of concern. Of prime importance is her pledge to fight for financial soundness and lower taxes with tax revenue from Fashion Park.

Mrs. Lauber says, "As a former planning commissioner, a homeowner, and Associate Realtor, I'm particularly aware of the importance of continuing to beautify and upgrade commercial and residential areas for the protection of our property values."

She states, "My record stands on its own merits. I have always represented the entire community equally and honestly. I represent no special interests."

On community redevelopment she says, "I believe some positive action to improve our city's 'downtown' image is needed. CRA is a tool, if properly controlled to assist in upgrading deteriorating and blighted areas. I voted to limit the CRA project area as accepted by the City Council. I am against any encroachment into R-1 residential."

Her other pledges are:

—Action to improve poor communication between the public and City Hall.

—Control of race track parking on residential streets.

—No promiscuous widening of residential streets for through traffic.

—Continued support of the Arcadia Police and Fire Departments.

—Pushing a qualifying program for a reduction in fire

insurance rates for property owners.

—Control of traffic, not traffic controlling residents.

—Enforcement of all controls and restrictions on the development of Fashion Park as set forth by the city.

—Complete endorsement of the new disclosure law, a guarantee to all citizens against any conflict of interest.

Mrs. Lauber, during her tenure on the Planning Commission, served as its chairman in 1967-68, helped write the general plan, fought to eliminate high rise commercial in Fashion Park and helped impose over 30 restrictions on its construction. She fought for more restrictive R-8 apartment and condominium regulations.

She is a past president of the West San Gabriel Valley Planning Council where she served

two terms, and is a past president of the Woman's Club of Arcadia where she has been Community Improvement and Civic chairman for six years.

Other activities include honorary membership in the Altrusa Club of Arcadia, past vice president of the Auxiliary of the Methodist Hospital and of the Arcadians. She is a member of the Sierra Guild to Children's Hospital and chaired the United Crusade for two years.

She has been a member of the Arcadia Republican Woman's Club for 14 years and is a member of Friends of the Arcadia Public Library.

Mrs. Lauber spent 14 years in industry, nine with Wianco Engineering Co., formerly of Pasadena where she was a supervisor of production control and also on the staff of

FLORETTA LAUBER  
... in the race

the vice president. She was one of five employees to institute that company's credit union and served on its board of directors.

She and her husband have one son, Lawrence. Mrs. Lauber is a third generation Californian, born and raised in Sierra Madre. The family moved to Arcadia in 1956.

IN REPLY REFER TO

July 8, 1958

Dear Floretta:

It wasn't an oversight to be this late in sending you a note of congratulation on your 6<sup>th</sup> anniversary with Wiancko - just the inescapable course of events. Irrespective of the lateness, the intention is still foremost!

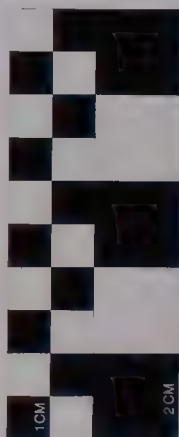

It is our basic feeling that the greatest growth in your potential has occurred in the last 12-18 months. You are developing the understanding and maturity in handling the over-all requirements of our Production Control group. Since this area of activity can be a service or a handicap it is very important that we have capable understanding and energetic people helping run this important phase of our operation. You have given extra time, effort, and energy in trying to promote the utmost in services and assistance wherever needed in department activity, and you have something to be proud of in recent department accomplishments. To a large extent it has been due to your diligent planning and coordination with the production factions within the department.

A continuance of this enthusiastic effort on your part will most certainly aid in maintaining the fulfillment of your associates' cooperation. We all stand to gain tremendously from the extension of a strong cooperative spirit functioning smoothly in conjunction with a working knowledge of interlocking activities; and the company, too, can benefit greatly. Through the efforts of key people such as yourself we can anticipate a continued growth pattern for all individual employees, and for the organization as well.

Thanks again, and best wishes (belatedly) on your 6<sup>th</sup> anniversary -

Sincerely,

*R. J. Ray*

## MAYOR AND CITY COUNCIL ELECTED

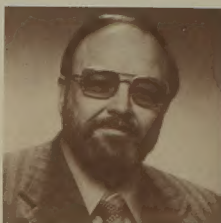

On April 9 Charles Gilb, Jack Saelid and Floretta Lauber were elected to the City Council. A total of 9,356 votes were cast at the general municipal election out of a total of 27,266 registered voters for a turnout of 34%.

The new members were sworn in at the April 16 meeting of the City Council. At that meeting the City Council unanimously elected Council member Alton Scott to serve as Mayor and newly elected Council member Charles Gilb to serve as Mayor Pro-Tem for the next year.

Mayor Scott, who lives at 1700 S. Third Avenue, is currently serving in his third year on the Council. Last year he served as Mayor Pro-Tem. He is a former Assistant Superintendent of Schools for Arcadia and has been a resident of the City since 1958.

MAYOR ALTON SCOTT

MAYOR PRO TEM CHARLES GILB

Mayor Pro-Tem Charles E. Gilb, who lives at 940 Singingwood Drive, finished first in the recent election with a total of 4,147 votes. He is the owner of a wholesale produce firm in Los Angeles. He is a former Chairman of the City Personnel Board and has been a resident of Arcadia for 15 years.

COUNCILMAN JACK SAELID

Jack Saelid, who lives at 821 Balboa Drive, was elected to the Council with a total of 3,440 votes. Mr. Saelid is an Engineering Supervisor for the Xerox Corporation, Xeroradiography Division in Pasadena.

Floretta Lauber, living at 1225 Oaklawn Road, was elected to the Council with a total of 3,275 votes. She is an Associate Realtor in residential sales and has been a resident of Arcadia for 18 years. She comes to the Council with extensive City experience having served one year on the City's Personnel Board and eight years on the Planning Commission. She holds the distinction of being the first woman on the City Council as well as the Planning Commission.

COUNCILWOMAN FLORETTA LAUBER

Councilman Jim Helms, who resides at 2220 Sewanee Lane, is the senior member currently serving in his seventh year on the Council. The former Mayor is a practicing attorney in the City.

COUNCILMAN JIM HELMS
